To Whom it May Concern

Subject: Globalstar ST100 (L2V-ST100) Class 2 Permissive Change Details

Globalstar is requesting a Class 2 Permissive change for the ST100 module (FCC ID: L2V-ST100). One of our customers – Lotek Wireless - is using the ST100 module in their new product called LifeCycle Pro+.

The ST100 is enclosed in the LifeCycle Pro+ housing. A battery is also enclosed to provide power to the ST100. The LifeCycle Pro+ is designed as an animal tracking device.

If there are any questions, please don't hesitate to contact us.

Yours sincerely,

A handwritten signature in blue ink that reads "Matt Kapral".
