RE: AXC550EXT Antenna Gain Query

Dear Mr. Johnson:

The initial specification for the antennas provided to you by Ahmad Abdelmajid contained a small error for the overall gain of the specified antennas.

Please note the typographical error in the first line of the specification and make the changes indicated below:

Incorrect Line:

- 1.) The gain shall be 1 dBd (3.2dBi) or less

Corrected Text:

- 1.) The gain shall be 2.5 dBi or less.

I have attached a corrected copy of Ahmad's original document for your review. Please do not hesitate to call me if there are any further questions.

Sincerely,

Bob Davis
Principal RF Engineer
