Request for Confidentiality

Gentlemen:

In accordance with 0.459 of CFR 47, **SONY ELECTRONICS, Inc.** request confidentiality of the Block Diagram, Schematics, Parts List, and Antenna Specifications for the attached test report.

These documents contain detailed system and equipment description and related information about the product which **SONY ELECTRONICS, Inc.** considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **SONY ELECTRONICS, Inc.** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Sincerely,

Glen A. Seebruch
Regulatory Engineer
