Subject: Class II Permissive Change re Ruggedized Holster used with Research In Motion  
Limited, BlackBerry Wireless Handheld Model RAL11IN, FCC ID L6ARAL11IN

Research In Motion Limited (RIM) herein is submitting a Class 2 Permissive Change application for a new Ruggedized Holster used with its BlackBerry Wireless Handheld Model RAL11IN.

The reason for this application is because we added alternate holster for our product Model RAL11IN which is already FCC approved. SAR was re-measured with the new holster and the results are well within the FCC SAR limits as demonstrated in the enclosed SAR test report.

Please do not hesitate to contact the undersigned should you require additional information or have any questions.

Yours truly,

A handwritten signature in black ink, reading 'M. Attayi', is positioned below the 'Yours truly,' text. The signature is stylized with a long horizontal stroke extending to the right.
