Subject: Response to the FCC Correspondence Reference Number **26105** for clarification on RIM BlackBerry Wireless Handheld FCC ID L6ARAO30GN, 731 Confirmation Number **EA274470**

Dear Diane:

The following addresses your inquiry **Correspondence Reference Number 26105**, dated December 17, 2003:

We have added an after market foam holster to be marketed as an option with the subject filing FCC ID L6ARAO30GN, EA274470.

This explains why two new pdf files, the foam holster SAR report and Appendices were uploaded later on as an addendum to the original SAR report.

Please do not hesitate to contact the undersigned should you require additional information or have any questions.

Yours truly,

A handwritten signature in black ink that reads 'M. Attayi'.
