To whom it may concern,

In reference to the BlackBerry Wireless Handheld Model RAP31GW (FCC ID: L6ARAP31GW), we, the undersigned, hereby certify on behalf of **Research In Motion Limited** that the following statement is true.

“This equipment has been tested in accordance with the requirements contained in the appropriate Commission regulations. To the best of our knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported or marketed, as defined in the Commission’s regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on a statistical basis. We further certify that the necessary measurements were made at the test facility of RTS, 305 Phillip St., Waterloo, Ontario, N2L 3W8 - Canada.”
