Subject : Letter requesting Short Term Confidentiality (STC) of model RAV20CW of BlackBerry
Wireless Handheld FCC Certification application

Pursuant to DA04-1705 of the Commissions's public notice, RIM Testing Services (RTS) on behalf of Research In Motion Limited (RIM) requests that the following identified information regarding the RAV20CW BlackBerry Wireless Handheld be held as STC by the Federal Communication Commission (FCC) and as such be withheld from public inspection for the initial 45 days.

The exhibits contain details of the product that is customarily guarded from competitors and not released to the public by RIM prior to the product offering to the public.

If the disclosure of such information is made public before the product is offered, it will cause serious competitive harm to RIM.

The following Exhibits with specific sections described, submitted with the Form 731 attachments should be held as temporary confidential:

- External Photos
- Internal Photos
- User's Manual and User Safety Guide
- Test Set Up Photos
