Whom It May Concern:

RE: LETTER OF ATTESTATION

This letter has been provided by Daoud Attayi that Research In Motion Limited ("RIM"), as the manufacturer of the BlackBerry® Smartphone declares, certifies and ensures that all production units will have maximum conducted power within the ranges specified in the filing for all wireless modes and that tune-up tolerances are applied.

Device: BlackBerry® Smartphone
Model: RDA71UW
FCC ID: L6ARDA70UW

Thank you.

Yours faithfully,

RESEARCH IN MOTION LIMITED

Per:

A handwritten signature in black ink that reads "Daoud Attayi".
