Federal Communication Commission Equipment Authorization Division Application Processing Branch 7435 Oakland Mills Road Columbia, MD 21045

Subject: Letter requesting confidentiality of BlackBerry® smartphones for FCC Class II

Permissive Change Certification application

Pursuant to 47 CFR Chapter 1 Section 0.459, RIM Testing Services (RTS) on behalf of Research In Motion Limited (RIM) requests that the following identified detailed technical information regarding the BlackBerry® smartphone as listed in the Operations description exhibit be held confidential by the Federal Communication Commission (FCC) and as such be withheld from public inspection.

Pursuant to 47 CFR Chapter 1 Sections 0.457(d) and 0.457(d)(2)(i) the exhibits contain details of trade secrets and technical data that is customarily guarded from competitors and not released to the public by RIM.

If the disclosure of such information is made public, it will cause serious competitive harm to RIM.

The following Exhibit with all the files contained in them, submitted with the Form 731 attachments should be held Confidential Permanently:

**Exhibit Operation Description**
