

FCC ID: L9G02106

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This is to certify that the label shown above will be the production label to be used on production units of model 02106. FCC ID number: L9G02106.

Mr. Ronnie Yung
Director/General Manager
