REFERENCE: REQUEST FOR CLASS II PERMISSIVE CHANGE

TO WHOM IT MAY CONCERN:

This letter is a request for a Class II Permissive change. The applicant wishes to add an emission designator to their original grant - it was originally granted as voice and they would like to get the digital rating as well.

They would also like to add the 25 Khz channel spacing to the application. It was originally approved for 12.5 Khz channel spacing.

Should you require any further information, please contact me at 1-888-472-2424.
