RE: Application for Class II Permissive Change
FCC ID: LB41901
CERTIFICATION #: EA91990

Dear Sir/Madam:

Form 731 completed electronically indicates confidentiality. This is incorrect. The Form 159 completed electronically included a charge for the confidentiality; however, the attached Form 159 only includes a Permissive Change. The attached check for the permissive change only is for \$45.

Please advise if further action is needed to clarify this matter.

Sincerely,

Judy Evans
