RE: Confidentiality Request

Dear Reviewer:

This letter is a request for confidentiality for specific exhibits in reference to The Watt Stopper, Inc. filing for the TLST under the FCC ID: LD7TLST.

The following exhibits are requested to be held in confidentiality and withheld from public inspection pursuant to 47 CFR 0.457(d):

Schematics
Block Diagrams
Operational Description
Users Manual

These exhibits contain details of the proprietary operation of the product. These details are not readily discernible from the hardware, constitute trade secrets, and are not generally accessible by the public.

This module is not intended for OEM re-sale and the Users Manual is a document internal to Xerox only.

We request that the above documents and this letter be withheld from public inspection.

Please contact us if further justification for any of the above exhibits is necessary.

Sincerely,

Alvin Ilarina
