Re: Request for confidentiality per Section 0.459 of FCC Rules

Applicant: Cisco Systems Inc. Class 2 Permissive Change

FCC ID: LDK-OFDM-MMDS2

To whom it may concern,

Request is hereby submitted, on behalf of my client Cisco Systems Inc., to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier. In particular, the following sections of the application and report are requested to be kept confidential:

Rationale for request for confidentiality:

Cisco Systems has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.
