RE: FCC ID: LDK102045

To Whom It May Concern::

Cisco Systems, Inc. hereby attests that the AIR-RM20A radio (LDK102045) will be used only for wireless LAN access point or similar applications. As such, AIR-RM20A qualifies for "mobile" designation in terms of RF exposure as defined by the FCC.

Best Regards,

A handwritten signature in blue ink, appearing to read "Jim Nicholson".
