Re: Request for confidentiality for portions of certification applications

Applicant: Cisco Systems Inc.  
FCC ID: LDK102047 and LDK102047P

Dear Mike,

On behalf of my client Cisco Systems Inc., under the provisions of section 0.459 of FCC Rules, I hereby request that the following documents be kept confidential and unavailable for routine inspection;

schematics  
block diagrams  
operational description

Justification;

Cisco systems has invested considerable time, effort, and funding in the development of these sophisticated radio products. Routine inspection of these documents would afford competitors and unfair advantage in development of their own similar products.

If you have questions or need further information, please don't hesitate to call.

Sincerely,

THOMAS N COKENIAS  
Agent for Cisco Systems Inc.
