Subject: FCC Class II Permissive Change FCC ID: LDKXSARCD11

To whom it may concern:

The purpose of this letter is to request a Class II permissive change for FCC ID: LDKXSARCD11

The change will consist of disabling access to the channels in the UNII band 5260-5320 MHz. The end user of the equipment will not be able to reactivate these channels. This is a software change to the equipment only. No changes have been made to the hardware to disable these transmit channels.

Please contact me if you have any questions.
