Request of Class II Permissive Change

Company name: Siemens AG
FCC ID: LDS-SRIF2002
FCC Part 15 Certification

Gentlemen,

This is to request a Class II Permissive Change for FCC ID: **LDS-SRIF2002**.

The major change filed under application is:

Change 1: **Because of discontinuance of several electrical parts a redesign of the product was absolutely essential. There are no changes in functionality, form factor, appearance and connectors.**

Change detail 1: RF-IF PCB:

- TCXO replace quartz with same frequency
- Spacer: nuts replace screws
- New co processor (pin and function compatible) – same IC family
- New board to board connector

Change detail 2: RF-PCB :

- New board to board connector
- New preamplifier
- New 5,5 GHz VCO (integrated replace discrete solution)
- New PLL synthesizer
- New filter

If you have any questions regarding this application, please feel free to contact
