

TCB FCC Approvals
FCB Industry Canada Approval
NB Notified Body for Europe

November 30, 2010

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD 21046

Ref: Unication Co., Ltd's FCC ID: LEA-U3-UHF-MID

To Whom It May Concern:

We are superseding the test report with a revised test report due to a minor typographical error in the original test report. On page 7 of the test report, the emission designator was listed incorrectly. The revised test report shows the correct emission designator.

There are no other modifications to the test report from the originally uploaded test report.

Regards,

Sharon Hoffman
