Dear Ms. Barbara Judge,

Thanks for reviewing our application above and sorry for the delay. Please find below for the explanation to your questions:

1. Your application indicates a Request for Confidentiality under FCC Rule Part 0.459 but there is no letter justifying the request. Please provide a request for confidentiality indicating which items are to be maintained as confidential and the reason justifying the request. Alternatively, you may remove the request.

Ans.: Sorry for our omission. Please directly remove the request for Confidentiality.

2. Your application indicates your request to defer Grant but does not indicate a date that you wish the Grant to be deferred until. Please provide such date or remove request for deferment.

Ans.: Sorry for our omission. Please directly remove the request for deferring Grant.

3. The operational description provided does not comply with requirements. Please provide a more detailed operational description in accordance with FCC Rule Part 2.1033(b)(4) including circuit functions; ground system and antenna, if any, used with the device .

Ans.: Please find attachment for the detailed operational description.

4. Please correct FCC statement in User's Manual to read that the device complies with Part 15 of the FCC Rules.

Ans.: Please find attachment for the revised page of User's Manual.

5. Please provide a new set of schematics as the current set is unreadable.

Ans.: Please find the attachment for clearer schematics.

If you have any further questions, please inform us. Thanks you again for your kind help.

Regards,

K. C. Chen
ETC/EMC Department
