Request for processing application for OxiPOD

FCC ID: LF5-OS1E100

As an authorized signatory for Medtronic plc (grantee code LF5), I hereby appoint Pat Schroepfer at NTS Longmont ("NTS") to act as Medtronic's agent in the preparation of this application for equipment certification. This agency is effective immediately and will expire on July 31, 2017. NTS's contact details are as follows:

NTS Longmont

1736 Vista View Drive, Longmont, CO 80504

Contact individual: Pat Schroepfer

Medtronic certifies that the documents submitted by Medtronic to EMC Integrity in support of this application properly describe the device or system for which certification is sought. Medtronic also certifies that each unit manufactured, imported or marketed, as defined in FCC regulations, will have affixed to it a label that has the exact FCC ID specified in this application, and that has required compliance statement labeling.

For instances where EMC signs the application for certification on Medtronic's behalf, Medtronic acknowledges that all responsibility for complying with the terms and conditions for certification resides with Medtronic.

### Section 5301 Certification:

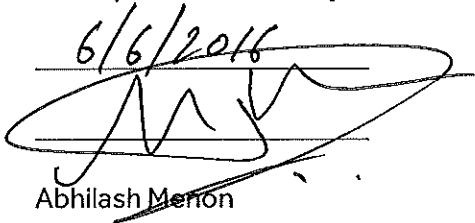

Neither the applicant nor any party to the application is subject to a denial of Federal benefits, that include FCC benefits, pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862 because of a conviction for possession or distribution of a controlled substance.
