Regarding: Application for certification for FCC id: LF524950B

Gentlemen:

With respect to Section 2.1033 (c) of FCC rules requiring a Tune-up Procedure be provided for pending FCC application LF524950B, please let this letter serve as our official communication that all calibrations are made once during manufacturing at factory. Therefore no additional tune-up procedures are available or required.

If you have any questions regarding this application, please call me at +31 43 356 6540 or via email at christiaan.masson@medtronic.com

Sincerely,

A handwritten signature in blue ink, appearing to read "Masson", is written over a horizontal line.
