In re: Application for certification of a Medical Implant Transmitter
FCC ID:LF5MEDSIMPLANT1

Dear Sir or Madam:

Submitted herewith on behalf of Medtronic Incorporated, 710 Medtronic Parkway, Minneapolis, Minnesota 55432, is an application for an implant to be used in a medical implant communications system that operates in the Medical Device Radio communication Service band from 401 to 402 MHz under Part 95I of the FCC Rules and Regulations. This application contains a separate request for post grant confidential treatment of certain portions of the application material as identified in that letter.

Pursuant to Section 95.1217, the FCC ID number associated with the transmitter and the information required by Section 2.925 of the FCC Rules will be placed in the instruction manual for the transmitter and on the shipping container for the transmitter, in lieu of being placed directly on the transmitter. The application contains a separate attachment showing the FCC ID and format of the information to be placed in the manual.

Sincerely,

Yogendra Shah
