RE: Request for Single-Modular Transmitter Approval for CASAN (FCC ID: LHJ-CASAN)

Applicant: Continental Automotive Systems, Inc.  
FCC ID: **LHJ-CASAN**

To whom it may concern,

*Single-Modular Transmitter*

This letter is to declare that the CASAN module with FCC ID LHJ-CASAN meets the definition of Single Modular Transmitter Subject as described below:

- Radio circuitry is shielded. All other components with exception of RF connectors and system connector are also covered by shield.
- The module has buffered USB data inputs/outputs.
- The module contains on-board power regulator.
- The module contains Fakra RF antenna connectors for operation with antennas installed within automotive vehicles.
- The module has a permanently affixed external label containing FCC ID information.
- The module is compliant with FCC Parts 22H, 24E and 27 in a stand-alone configuration.

Based on this information, Continental would like to seek Single-Modular Approval for CASAN.

Should you have any questions, please feel free to contact the undersigned.

Sincerely,
