Re: Attestation that LNAD (FCC ID: LHJ-LNAD) does not use WiFi and BlueTooth
Functionality

Applicant: Continental Automotive Systems, Inc.
FCC ID: **LHJ-LNAD**
To whom it may concern,

Attestation of Functionality

Continental Automotive Systems, Inc., would like to attest that WiFi and BlueTooth
functionality is not utilized on the LNAD module. The circuit is present in design
documentation for development purposes but is not used in production devices.

Sincerely,

A handwritten signature in black ink, appearing to read "James Zhang", written over a horizontal line.
