RE: CONFIDENTIALITY REQUEST FOR Continental "Car Phone Module",  
FCC-ID: LHJBPMB

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.459 and 0.457. We have requested that the schematic diagrams, Parts list and Block diagrams required to be submitted with this application be withheld from public review. The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Do not hesitate to contact me if you have any additional questions.

Thank you very much.
