

RE: Request for Modular Approval (FCC ID LHJCNAD30)

Dear Madam/Sir

Continental would like to request a Class II Permissive Change Certification for PCS transmitter with FCC ID LHJCNAD30.

The device is identical to the previously approved PCS transmitter. The two changes to the grant are:

1. To add Single Modular Approval.
2. To list the external antenna information in the Notes Session of the grant as follows:  
"Modular Transmitter. Output power is conducted. Antenna gain including cable loss must not exceed 9.58dBd of gain in the cell band and 8.01dBi of gain in the PCS band for the purpose of satisfying of the radiated power requirements of FCC §22.913 and §24.232.

Sincerely,

A handwritten signature in black ink, appearing to be "J Zhang", written over a horizontal line.
