

James Zhang
Manager, GM Telematics
Global Telematics Unit
Coherent Automotive Systems

Sincerely,

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Termic Automotive of North America, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us. Disclosure of the short-term confidential portions of this application during the period of importation and/or distribution would reveal key aspects of proprietary technology to competitors and diminish the value of our investment in research and development.

Rationale for request for confidentiality:

- Schematics
- Detailed Block diagrams
- Detailed Operational/Functional Description
- Parts list

Request is hereby submitted by Termic Automotive of North America, Inc. to withhold permanently from public review portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

Permanent Confidentiality

To whom it may concern,

Applicant: Termic Automotive of North America, Inc.
FCC ID: LHQBNS0CT

Re: Request for confidentiality
