Subject: Well-tech Toys Co. Ltd., FCC ID: LIE901, Assessment NO.: AN04T3934, Notice#1

Question #1: FCC Docket 01-278, 95-19 and FCC 03-149 has been published in Federal Register on Dec. 09, 2003 with effective date of Jan. 08, 2004. All applications submitted after Jan.08 shall comply with ANSI C63.4:2001 procedures. In the test report, ANSI C63.4:1992 is used. Please confirm the tests were performed per ANSI C63.4:2001 and revised the test report to indicate the test procedure used.

Question #2: User Manual does not contain information required per section 15.21 of FCC rules. Please provide revised user manual to address this requirement.

Question #3: Component side of internal photos are not clear. Please provide a clear copy of internal photos to show the component values.

Best Regards

Mike Kuo

Hello, Mike.

Attached are the new report for LIE901 complying for ANSI C63.4- 2001. Could you add this FCC statement into its manual?
The photo of new PCB component side will be sent tomorrow.

By the way the revised manual for RadioFun's Tx 10731 is also attached. Looking forward to hearing from you soon.

Regards,

Wei
