Subject: Class II Permissive Change for FCC ID: LJPNSW-5NY

Gentlemen,

Nokia Mobile Phones applies Class II Permissive Change for LJPNSW-5NY.

LJPNSW-5NY is already granted by the FCC. The equipment in this application differs from the original by a new improved antenna, which has more flat frequency response through all single operating bands. There is no visible differences between these antennas.

No other changes were made and thus no changes are expected in any conducted test. Radiated and Specific Absorption Rate measurements are tested for this filing.
