1. Please note that except for the diagram in section 2.1 the WLAN test report (831\_Exhibit06c\_WLAN\_Test\_Report.pdf) does not clearly state if the power out is conducted or radiated data. Please clearly state if the power measurements in the test report are conducted power measurements.

Power output results in Salo\_FCC\_0640\_11 test report (i.e. Exhibit06c) section 3 are radiated data. Conducted data is in Tre\_FCC\_0640\_03 (Exhibit06d) section 3.
