RE: FCC ID: LJPRM-56_ATCB002808
Attention: Kare Oksanen

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1. Please provide the Block diagram of the Bluetooth device.
2. Please clearly identify the Bluetooth portion of the schematics.
3. FYI - Please note that RSS210 was revised to Issue 6 in early September. References to RSS210 should be to the newer version Annex 8. In the future, please make sure that the latest RSS210 issue 6 is used.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
