FCC ID: LKT-BMAX-BA4M-B25

Subject: Radiated spurious emissions measurements, made for Alvarion Ltd.
Test report # 8812342586 and 8812345986

Herby we declare that radiated measurements for this product was made by two antennas, covering the full frequency range up to 27GHz.

1. Antenna mfr. EMCO model 3115 S/N 5802 1 – 18 GHz
2. Antenna mfr. Schwarzbeck Mess-Electronik mod.BBHA 9170 S/N 9170-341 15 – 40 GHz

By mistake, the antenna BBHA 9170 was not shown in the test reports.
