Dear Mike,

On behalf of my client, Alvarion Ltd., I request that the following documentation be withheld from routine public inspection per the provisions in Sections 0.457 and 0.459 of the Rules:

Justification

Alvarion has invested significant resources in developing its products for international sales and distribution. Disclosure of confidential information described above to other manufacturers would present them with an unfair competitive advantage in developing their competing products.

If you need further information, please don't hesitate to contact me.

Sincerely,

THOMAS N. COKENIAS
Agent for Alvarion Ltd.
