Re: Request for Confidentiality for Exhibits Submitted with an Application for Certification

Applicant: BreezeCom, Ltd.
FCC ID: LKTEAP-10AMP

Dear Mr. Dichoso,

BreezeCom, Ltd. Respectfully requests the following documents be withheld for public inspection, under the provisions of §0.457 of the Rules:

1.)Schematics/Block Diagram

This document has been physically separated from the rest of the application. The information contained in the schematics/block diagram is required by the Rules and is necessary for justifying transmitter/receiver architecture, but to disclose this information to the public would reveal design concepts and trade secrets that are proprietary to BreezeCom, Ltd.

Based on the above, we respectfully request a Grant of Confidentiality be issued for the schematics/block diagram described above. If you have any questions or need further information, please contact the undersigned.

Sincerely,
Yuval Goren
