RE : Request for Confidentiality  
Attached Form 731 – Application for Class II Permissive Change  
FCC ID : LLB6327

Dear Sir or Madam :

Hexagram Inc. does not wish to publicly disclose certain technical information which is enclosed with this application. This material contains critical trade secrets and we request that the Commission withhold this information from public inspection pursuant to the provisions of Section 0.457(d) and 0.459 of the Commissions Rules, and Section 552(b)(4) of the Freedom of Information Act.

MATERIAL TO BE HELD CONFIDENTIAL :

| File Name                     | Description                   |            |
|-------------------------------|-------------------------------|------------|
| LLB6327-Int photo back.pdf    | Internal Circuit Board Photos | One page   |
| LLB6327-Int photo front.pdf   | Internal Circuit Board Photos | One page   |
| LLB6327-Schematic.pdf         | Circuit Schematics            | Four Pages |
| LLB6327-Desc of Operation.doc | Description of Operation      | Two Pages  |

The LLB6327 electronic assembly is permanently sealed inside a PVC plastic enclosure which cannot be opened without destruction of the packaging and/or electronics of the device.

The above listed material is confidential and is not available to the public or end user.

Sincerely,

Lawrence M. Sears  
Director of Technology
