Request for Class II Permissive Change

To whom it may concern,

This is a request to file a Class II permissive change for FCC ID: LM6-LFSCRF. The original grant date is 01/28/2022.

In the new use case, this module is now being used in a portable device. All the circuits and components were the same as the original module, there is no hardware change.

We have performed the SAR evaluation of this portable device and also re-measured the radiated spurious emission.

Sincerely,
