Re: FCC ID: LNQWCB5000
Actiontec Models: WCB5000, WEB5000

To whom it may concern:

We, Actiontec Electronics, Inc., hereby declare the above mentioned 2 models have electrically identical Wireless circuitry with the same electromagnetic emissions and electromagnetic compatibility characteristics.

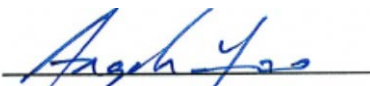

The differences between these 2 models are as follows –

WCB5000 – 11ac Wireless Ethernet Bridge with MoCA

WEB5000 – 11ac Wireless Ethernet Bridge without MoCA

Please contact me should there be need for any additional clarification or information.

Sincerely,

Angela Yao/Sr. Program Manager
