1) If not in filing already, please provide a summary listing of all associated mobile-device FCC IDs evaluated for use as part of system with FCC ID LO6-DVRSUHF.

In list please also include transmit frequency ranges and output powers for each configuration.

Refer to Tables 4C, 4D and 4E in the "Product Safety and RF Energy Exposure Booklet for Digital Vehicular Repeater Systems (DVRS) Rev. 4.21.0". These tables show all DVR UHF – Mobile radio configurations with their FCC IDs, transmit frequency ranges and output powers for each configuration. Green colour denotes DVR – Mobile radio configurations already approved by FCC. Orange colour denotes DVR – Mobile radio configurations for this FCC Class II Permissive Change submission.
