Reference: Value Added Manufacturer Agreement between
Iridium Satellite LLC and Eagle Broadband,
dated June 17th, 2003

Subject: VAM Product Certification

Based upon VAM's fulfillment of all requirements as specified in Exhibit B of the referenced Agreement (including any such requirements as waived by LLC), LLC hereby certifies the following Product(s) for commercial use, subject to obtaining FCC certifications and limited to three (3) simultaneous voice calls, in connection with the Iridium Communications System:

- Iridium Repeater Model J-DR05 V2.1 for use with Iridium phone operation indoors

In the event that a significant Product defect (including a significant network or system defect which can reasonably be attributed to the Product) is identified subsequent to LLC's issuance of this certification, LLC reserves the right to withdraw this certification letter at any time. VAM shall cooperate with LLC in compliance with Exhibit B as necessary for LLC to evaluate the defect and to re-issue such Product certification.

Should you have any questions regarding this Product certification, please contact the undersigned at 703-724-8033.

Sincerely,

Drew Uplinger
Director, VAM Program
