Response to 102607 Comments

FCC ID: LPM-3000H

In response to your comments on the above submittal:

1. ATCB Comments: Please revise the confidentiality letter to exclude the parts list exhibit as there was not a parts list exhibit uploaded. FCC requires confidential request to match the upload to the FCC.

RESPONSE: Uploaded revised exhibit.

2. ATCB Comments: Radiated test setup photos must show the antenna that was being used at the time of the tests. Please revise test setup photos.

RESPONSE: A revised report has been uploaded.

3. ATCB Comments: Please upload bandedge plots that show the EUT stays within the 2400-2483.5 MHz bandwidth.

RESPONSE: See pages 18 - 19 of the test report.

Please let us know if anything further is required.
