Dear Application Examiner:

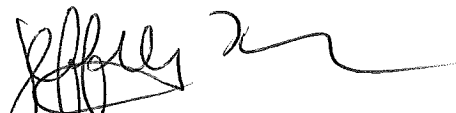

Select Comfort Corporation is submitting this application for the certification of their Dual Temperature Engine, FCC ID: LPM-6000A. It operates at 2.4 GHz. It is connected to the AC mains indirectly through an external power supply.

The radio utilizes a single integral PCB etch antenna. This configuration satisfies the requirements of 47 CFR 15.203.

The technical reports and exhibits demonstrate compliance with FCC rules 47 CFR 15.249.

Your efforts in reviewing this application are greatly appreciated.

Best regards,

Jeffrey Barnum

Vice President of Quality and Manufacturing
