**Overview**

Select Comfort Corporation is seeking an original grant for their model SNbb1 transceiver under 47 Cfr 15.247. The FCC ID for the device is LPM4000B. The transceiver is installed in the Bridge Router and is used to communicate with the controller and in-home network for purposes of controlling setting of the Select Comfort Corporation's adjustable foundation for their beds.

Confidentiality requested for allowed files. Request is properly addressed and referenced.

Short term confidentiality requested.

A letter listing the applicable modular requirements was submitted.

**Recommendation**

All items have been resolved and completed to my satisfaction; therefore I recommend this application for approval.
