Question #1: What is the associated Transmitter FCC ID number will be used and marketed with this receiver ?

Question #2: Two identical internal photo files are submitted. Please provide external photos.

Question #3: What is the upper frequency range investigated ?

Question #4: Please provide user manual.

Hi, Mike.

Here is the info on user manual and TX FCC ID.

The manual of RX600 is attached.
FCC ID of the Tx is LQP-WB007-16.

Thanks for your attentions.

Wei
