Re: Change of Identification Authorization, FCC ID: 2ADHKATWILC1000

To Whom It May Concern:

This letter grants authorization for representatives of X-Rite Incorporated to apply to the FCC for a change in identification as specified under 47CFR2.933 of the FCC rules.

This authorization applies to Microchip Technology Inc., Model ATWILC1000-MR110PB FCC ID: 2ADHKATWILC1000. The original grant date is: Oct 14 2015

We are aware that X-Rite Incorporated intends to market the above referenced product under their own FCC ID: LSV-EXACT2.

Microchip Technology Inc. will continue to sell their device under their existing FCC ID.

The Model with a change in ID is identical in design and construction with our original model. The original test results continue to be representative of and applicable to the module with a change in ID.

Sincerely,
