1 Document History

Version	Reason for change	Effective from
V0	First Draft	06.03.2018
V1	HVIN changed from Topaz AMW 106 to Topaz to avoid inconsistency with the "LETTER OF THE CANADIAN REPRESENTATIVE"	08.03.2018
V2	HVIN has been changed from Topaz to TOPAZ	08.03.2018

2 New label for WiFi-module

On the Zentri WiFi-module the following label shall be glued on top of the existing one. The size of the label is 13 x 18 mm.

Label applied on the Zentri WiFi-module, which is residing on the Topaz CPU board.
