USER MENU

**Simply insert one 9 volt battery into the battery compartment of each walkie talkie. Turn the power ON/OFF switch to the on position. You will hear a static sound when the walkie talkie are turned ON. To tell your friend a message, press the Talk button and speak clearly into your walkie talkie. To receive a message, release the Talk button and listen. When you are finished, turn the power ON/OFF switch to the OFF position. Operation performance may be affected by surrounding building, structures or equipment.**
