

QUICK START

- Open the battery doors located in the back of both units.
- Install four AAA alkaline batteries into each unit. Be sure to follow the battery instructions as shown on the inside of the battery compartments.
- Replace the battery doors.
- Turn both ON/OFF switches to the ON position. Your walkie-talkies are now ready to operate.

BATTERY INSTALLATION

- Use alkaline batteries for better performance.
- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the toy before being charged.
- Rechargeable batteries are only to be charged under adult supervision.
- Different types of batteries or new and used batteries are not to be mixed.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.
- Do not dispose of the batteries in fire, batteries may leak or explode.
- Batteries should be replaced by an adult.

PLAYING WITH YOUR WALKIE-TALKIES

- Turn both ON/OFF switches to the ON position. Your walkie-talkies are now ready to operate.
- Press the PUSH TO TALK button for transmitting (sending) your voice to the other unit.
- When transmitting, speak clearly in a normal voice, holding the set about 3" from your mouth.
- Release the PUSH TO TALK button to receive voice messages from the other unit.
- Lift the antennae (the figurine walkie-talkies' right arms) in a upright position for best reception.

CAUTION

- Emissions or interference of surrounding electronic equipment may affect operating performance.
- Your walkie-talkies have been fully adjusted prior to shipment from the factory. Be sure not to touch the internal components other than replacing the battery.
- When the sound becomes weak, it is time to change the battery.
- After use, always turn ON/OFF switch to the OFF position.
- Keep your set in a dry and clean place.
- Remove the batteries when walkie-talkies are not in use.
- All walkie-talkies are subject to electronic interference. If you experience problems with the units, stay away from or turn off nearby electronic devices such as cordless phones, baby monitors, intercoms or any other "broadcast" devices.

OPERATION PERFORMANCE MAY BE AFFECTED BY SURROUNDING STRUCTURES AND EQUIPMENT.

THE USER SHALL NOT CHANGE OR MODIFY THE EQUIPMENT, OTHERWISE IT COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.

THIS PRODUCT PERFORMANCE WOULD BE DEGRADED UNDER A STRONG RF FIELD.

FCC STATEMENTS

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate harmful frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Modifications not authorized by the manufacturer may void users authority to operate this device.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.
