Dear Sir/Madam,

Re: Permissive Change II for FCC ID: LUBCHS2 and IC:2529A-CHS2

Please review the attached exhibits supporting our request for a Permissive Change II applying to the Socket Mobile Cordless Hand Scanner M/N: CHS 7E.
The only difference between the certified models and the updated models is as follows:

Laser scan engine replaced with CCD scan engine. All radio circuitry identical.

Sincerely,

A handwritten signature in black ink that reads "R. Cole".
