Re: Request for Permanent Confidentiality

Applicant: Rosemount Inc.

FCC ID: LW2RM2510

To whom it may concern,

Request is hereby submitted by Rosemount to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Block diagrams
- Test Instructions

Rationale for request for confidentiality:

Rosemount has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in black ink, appearing to read "Merritt Pulkrabek".
